Summary of reasons for decision:

This computer image file printout explicitly depicts sexual conduct involving the use of excrement. It is intended for the sexual arousal of people with an interest in this kind of activity. As such, it promotes and supports the use of excrement in association with degrading or dehumanising conduct or sexual conduct and is deemed to be objectionable under s3(2)(d) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act). The classification of this publication interferes with right to freedom of expression as affirmed by the New Zealand Bill of Rights Act 1990, but this is an outcome that is consistent with Parliament's intention that publications falling under s3(2) of the FVPC Act are deemed to be objectionable.
